OUR WAREHOUSE IS NOT A SHOP!

Everything you find with us is intended to help people in need. The warehouse is run by volunteers who give their time, work and energy without any financial reward. They do so with kindness and a big heart to help others.

- Please respect their work and the rules of our warehouse.
- Take only the things you really need and return to us if your situation changes.
- Treat our volunteers with kindness and respect.
- Remember that our volunteers are here to help, not to be criticised or treated unfairly.

We help with heart. Please be kind and respectful.

Thank you for valuing the time and effort of our volunteers.
